Twenty-Third Corps

OWN A PIECE OF HISTORY

The Cuyahoga County Soldiers' and Sailors' Monument is offering a unique opportunity to purchase a very limited number of commissioned stained glass corps badges which incorporates an actual piece of the Monument.

During the recent rehabilitation of the Monument's windows it was discovered that over half of the more than 200 1890's glass jewels had to be replaced. We were able to salvage 36 of these jewels which have become the centerpieces of specially commissioned works of art. The fine craftsmen at Whitney Stained Glass Studio Inc., in consultation with the Monument, have created Stained Glass Corps Badges, the center of which contains an actual jewel which this was removed during the rehabilitation.

Of the 36 commissioned pieces we are offering 24 of them for sale, 6 of each style. Each piece is individually stamped with a number and will include a certificate of authenticity. The cost of each Corps Badge is \$150. What a great opportunity to acquire your very own piece of the Monument while helping to preserve this National Treasure.

Display copies can be viewed at the Monument beginning Friday November 25th, 2011. Sales will begin on Saturday November 26, 2011, in conjunction with the City's Winterfest Celebration. After this date purchase arrangements may be made by contacting Tim Daley, Executive Director, at 216-621-3746.

Don't miss this chance to acquire a true piece of history.
